Touchdown HiTech	Potassium salt	6	5	0.375 0.56 0.75	9.6 14.3 19.2
Touchdown Total	Potassium salt	5	4.17	0.375 0.56 0.75	11.5 17.2 23

¹Other brands available. Not all brands are registered for overtop application to Roundup Ready cotton. Only Roundup OriginalMax, Roundup PowerMax, and Roundup WeatherMax are registered for overtop application to Roundup Ready Flex cotton after the four-leaf stage. See comments on resistance management throughout the cotton production guide.
